Gentlemen,

I have the honour to submit for your consideration the Annual Report on the health of Trawden for the year 1942.

The report is again condensed in accordance with the instructions of the Ministry of Health, owing to economic and other reasons.

At the present time, much publicity is being given to after war problems, and positive health should be the first consideration. To attain this, feeding and the preparation thereof, needs planning now. Hot water facilities and baths must be available for all.

I wish to thank the Officials of the Council for their help in compiling this report.

I have the honour to be,

Gentlemen,

Your obedient Servant,

R. E. ROBINSON.
